

ORDINANCE NO. 3231

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF ONTARIO, CALIFORNIA, AMENDING SECTIONS 4-6.1009 AND 4-6.1016 OF ARTICLE 10 OF CHAPTER 6 OF TITLE 4 OF THE ONTARIO MUNICIPAL CODE, ADDING SECTION 4-6.1117 TO ARTICLE 1 OF CHAPTER 6 OF TITLE 4 OF THE ONTARIO MUNICIPAL CODE, AND ADDING SECTION 4-6.1020 TO ARTICLE 10 OF CHAPTER 6 OF TITLE 4 OF THE ONTARIO MUNICIPAL CODE ADOPTING STANDARDS FOR OVERSIZED VEHICLE PARKING AND FURTHER REGULATING COMMERCIAL VEHICLES.

WHEREAS, California Vehicle Code Section 22507 authorizes the City of Ontario ("City") to restrict or prohibit the stopping, parking, or standing of vehicles on local streets during all or certain hours of the day; and

WHEREAS, the general provisions governing stopping, standing, or parking for certain purposes or in certain places within the City are set forth in Article 10 of Chapter 6 of Title 4 of the Ontario Municipal Code; and

WHEREAS, the Police Department has received numerous complaints about the parking of commercial vehicles within the City's jurisdiction, including along designated truck routes; and

WHEREAS, the Police Department has found that the current regulations related to commercial vehicle parking have not been effective at addressing the parking of commercial vehicles along the City streets; and

WHEREAS, the Ontario Municipal Code also does not specifically address oversized vehicle parking on public streets; and

WHEREAS, the Ontario Municipal Code does generally regulate vehicle parking on public streets in Section 4-6.1011, which states that "[n]o person who owns or has possession, custody, or control of any vehicle shall park such vehicle upon any street, alley, or City-owned parking lot or parking facility for a period of seventy-two (72) or more consecutive hours"; and

WHEREAS, the Police Department has found that this regulation has not been effective at addressing oversized vehicle parking because a vehicle owner may move the vehicle and then re-park near the same area, thereby evading the restriction; and

WHEREAS, the City wishes to amend the Ontario Municipal Code to address the parking of commercial vehicles alongside City streets and establish standards for oversized vehicle parking as well as a process to impose such restrictions; and

WHEREAS, all other legal prerequisites to the adoption of this Ordinance have occurred.

(iv) **Travel Trailer:** A portable unit, mounted on wheels, of such a size and weight as not to require special highway movement permits when drawn by a motor vehicle and for human habitation for recreational or emergency occupancy.

(c) Exemptions

The provisions of Section 4-6.1020(a) of this article shall not apply to any of the following:

(1) Any commercial vehicles. The parking of commercial vehicles shall be controlled by Section 4-6.1009 of Article 10 of Chapter 6 of Title 4 of the Ontario Municipal Code.

(5) Any vehicle displaying a valid permit issued pursuant to Sections 4-6.1020(d) and (e) of this article.

(d) Temporary Parking Permits

The License Official, or his or her designee, shall issue a temporary parking permit to any resident of the City, for parking of an oversized vehicle that belongs to that resident, or a guest of the household in which such resident resides, provided the following conditions are met:

(1) The permit is obtained by a resident of the property in front of which the oversized vehicle will be parked in accordance with this article.

(2) The oversized vehicle is parked on the street immediately adjacent to the property upon which the person requesting the permit resides.

(3) The duration of the permit shall not exceed forty-eight (48) hours.

Permits may not be issued for consecutive periods, and there must be a minimum of forty-eight (48) consecutive hours between the issuance of permits for a specific property or a specific oversized vehicle.

(6) The oversized vehicle shall not be used for overnight camping, lodging, residing in, or any use for accommodation purposes.

(7) The oversized vehicle shall not visibly block or obscure any existing safety or traffic control device, nor shall it be parked in such position that another's driveway approach is jeopardized, and it shall otherwise meet all other parking requirements for the street upon which it is parked.

(8) The oversized vehicle is not licensed, registered or used for commercial purposes.

(9) The License Official, or his or her designee, determines that the parking of the oversized vehicle would not create a public safety hazard. Such a determination may be made based on factors, including, without limitation, the size of the oversized vehicle, the configuration of the street or the location of any nearby driveways, trees, improvements or structures.

**(e) Permit Restrictions**

(1) It shall be unlawful for any person to whom a permit is issued pursuant to Section 4-6.1020(d) of this article to transfer, sell, rent or lease such permit or allow such permit to be used by any person other than a guest of that person, either with or without consideration.

(2) It shall be unlawful for any person to borrow, buy or otherwise acquire for value or use or display any parking permit, except as provided for in Section 4-6.1020(d) of this article.

(3) Each permit issued pursuant to Section 4-6.1020(d) of this article shall be subject to all of the conditions and restrictions set forth in Section 4-6.1020(d) of this article. The issuance of such permit shall not be construed to be a permit for or approval of any violation of any provision of this code or any other law or regulation.

(4) The issuance of a permit pursuant to Section 4-6.1020(d) of this article shall not be construed or interpreted as a warranty or representation by the city or its officials, officers or employees that the parking of any oversized vehicle is or is not in compliance with any other provision of law. Neither the enactment of this part nor the preparation or delivery of any permit pursuant thereto shall impose any mandatory duty upon the City, its officials, officers or employees to completely and accurately determine the safety of the parking of any oversized vehicle or impose any liability on the city, its officials, officers or employees regarding the same.

(5) The City Council may establish a reasonable permit fee by separate resolution to recover the City's administrative costs in preparing and issuing permits.

**(f) Permit Display**

Parking permits issued pursuant to Sec. 4-6.1020(d) of this article shall be clearly displayed on the oversized vehicle's dashboard or windshield."

**SECTION 9. Posting of Notice.** Pursuant to California Vehicle Code Section 22507, and relevant case law, the City Traffic Engineer is hereby directed to place, or cause to be placed appropriate signs and/or markings giving adequate notice of the parking restrictions contained within this Ordinance.

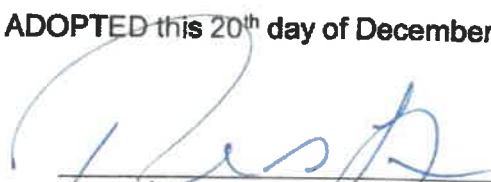

**SECTION 10.** If any section, subsection, subdivision, sentence, clause, or phrase in this Ordinance or any part thereof is for any reason held to be unconstitutional, invalid or ineffective by any court of competent jurisdiction, such decision shall not affect the validity or effectiveness of the remaining portions of this ordinance or any part thereof. The City Council hereby declares that it would have adopted each section irrespective of the fact that any one or more subsections, subdivisions, sentences, clauses, or phrases be declared unconstitutional, invalid or ineffective.

**SECTION 11.** This Ordinance shall become effective thirty (30) days after its adoption by the City Council.

**SECTION 12.** The City Council finds that adoption of this Ordinance is exempt from the California Environmental Quality Act ("CEQA") pursuant to Section 15358 (the activity will not result in a direct or reasonably foreseeable indirect physical change in the environment) of the CEQA Guidelines, California Code of Regulations, Title 14, Chapter 3, because it has no potential for resulting in physical change to the environment, directly or indirectly. Moreover, the City Council finds that this Ordinance is also exempt under CEQA pursuant to Guidelines Section 15061(b)(3) (there exists no possibility that the activity will have a significant adverse effect on the environment).

**SECTION 13.** The Mayor shall sign this Ordinance and the City Clerk shall certify as to the adoption and shall cause a summary thereof to be published at least once, in a newspaper of general circulation in the City of Ontario, California within fifteen (15) days of the adoption.
