

VEHICLE ABATEMENT PROGRAM

Did you know leaving wrecked, disabled, or abandoned vehicles, equipment, parts, and auto accessories outside fully enclosed spaces, carports, or garages for more than 5 days is against Ontario's Municipal Code (OMC Section 5-22.02(h))?

If you find yourself with unwanted vehicle or parts cluttering up your space, don't stress. Our friendly Community Improvement Department is here to help you clear it out hassle-free and free of charge! See below to make sure you qualify.

Let's work together to keep our neighborhoods clean and safe!

IN ORDER TO QUALIFY FOR THE VOLUNTARY VEHICLE ABATEMENT PROCESS

- The applicant must own the property where the vehicle rests.
- The applicant must provide consent to the Community Improvement Department and partner tow agency to enter the property and remove the vehicle.
- If the vehicle is owned by the property owner, the vehicle title must be signed over to the partner tow agency.

For further information or to start the Vehicle Abatement process, please contact the Ontario Community Improvement Department at (909) 395-2007.
