**FOR IMMEDIATE RELEASE**

**INCIDENT: Residential Burglaries**

**ONTARIO CA** – Ontario Police are seeking the public's assistance in solving a string of residential burglaries.

Over the last several weeks, Ontario Police have received multiple reports of residential burglaries with similar circumstances. The suspects have primarily targeted homes within the area of Vineyard Avenue to Haven Avenue and Riverside Drive to Merrill Street. The suspects typically enter residences through rear windows or doors. In most cases, the residents were not home at the time of the incident. Homes that back up to a street have been victimized more often.

Investigators are asking anyone with either Ring doorbell cameras or other forms of video surveillance to please check their footage frequently to see if anyone has tried to enter their home. A photograph of the possible suspects is attached as a reference. Please notify the Ontario Police Department if you have any additional photographs or video of these same suspects on your property. Ring doorbell videos can be shared directly through the Ring Neighbors Portal.

Residents throughout the city and especially those within this specific area are reminded to remain vigilant and report any suspicious activity or persons on their property or in their neighborhoods.

Anyone with information is asked to contact the Ontario Police Department at 909-986-6711 or Detective Ryan Ronveaux at 909-408-1748. Information may also be reported anonymously by calling WE-TIP at 78-CRIME or online at [www.wetip.com](http://www.wetip.com). See attached photo.
