NOTES TO USERS

For information and questions about this map, available products associated with this FIRI, including historic versions of this FIRI, how to order products or the National Flood Insurance Program in general, please call the FEMA Map Information Exchange at 1-877-FEMA-MAP (1-877-336-6271) or visit the FEMA Map Service Center, a Flood Insurance Study Report, and/or digital versions of this map. Many of these products can be ordered or obtained directly from the website. Users may determine the current map date for each FIRI panel by visiting the FEMA Map Service Center website or by calling the FEMA Map Information Exchange. Communicate annexing land or adjacent FIRI panels must obtain a current copy of the adjacent panel as well as the current FIRI index. These may be ordered directly from the Map Service Center at the number listed above.

For community and countywide map dates refer to the Flood Insurance Study report for this jurisdiction. To determine if flood insurance is available in this community, contact your insurance agent or call the National Base Map Information Program at 1-800-638-6820.

Map produced: UTM Zone 11N; North American Datum 1983; Western Hemisphere; Vertical Datum: North American Vertical Datum of 1988

Estimated levee notes to users: Check with your local community to obtain more information, such as the estimated level of protection provided (which may exceed the 1-percent-annual-chance level) and Emergency Action Plan, on the levee system) shown as providing protection for areas on this panel. To mitigate flood flooding or other protective measures, or for more information on flood insurance, interested parties should visit the FEMA Website at <http://www.fema.gov/business/index.shtml>.
