

**Side Letter of Agreement
To Current Memorandum of Understanding
Between the City of Ontario and
Ontario Police Officers Association**

The City of Ontario (City) and Ontario Police Officers Association (Association) agree to modify Article XI, Benefits, Section 11.06, Retiree Dental Insurance of the Memorandum of Understanding covering the period from July 1, 2023, through June 30, 2027. The intent of this side letter is to document the City's and Association's agreement regarding the deduction of monthly dental insurance premiums for eligible retired annuitants from their monthly CalPERS warrant. Such deductions can begin with the January 2025 monthly premiums.

Section 11.06 is revised as indicated below:

Section 11.06 RETIREE DENTAL INSURANCE

All unit employees who during the term of this MOU retiree from the City and qualify as an "annuitant" under Government Code Section 22760, shall be eligible to purchase dental insurance at their own expense. The California Public Employee's Retirement Law (PERL) provides for deductions from retirement allowances through the Direct Authorization Program. Monthly group dental insurance premiums will be deducted from the retiree's monthly CalPERS warrant through the Direct Authorization Program.

Approved:

Angela Lopez, Executive Director Human Resources /
Risk Management
City of Ontario
