City of Ontario - Transient Occupancy Tax (TOT) Return Form & GOTMD - (Greater Ontario Tourism Marketing District) - Assessment Return Form

Every person providing transient lodging for remuneration in the City of Ontario must collect a tax of eleven and three-fourths percent (11.75%) on the rent paid unless that rent qualifies for exclusion or exemption. All allowable exclusions and exemptions must accompany this return form. This tax is due and payable to the City, on or before the last day of the month following the close of the reporting period. For failure to pay the amount prior to the due date, the lodging provider is subject to paying a penalty and interest on the tax due. The penalty is one-half of one percent (0.5%) per day of the amount due. Failure to remit any delinquent remittance on or before a period of thirty (30) days following the date on which the remittance first became delinquent shall pay a second penalty of ten percent (10%) of the tax due and the first penalty. The interest rate is one-half of one percent (0.5%) per month or fraction thereof until the date of remittance or payment. Change of ownership, suspension, or disposal of business must be reported to us immediately. GOTMD is filed along with TOT on this form at the bottom for all hotels renting 50 rooms or more.
