WHAT ARE PROMOTIONAL AND SPECIAL EVENT TEMPORARY SIGNS?

The Temporary Promotional and Special Event Sign/Banner Application Form allows businesses to install short-term, temporary signage, such as banners, on private property, in conjunction with special events, as provided by the City of Ontario's Development Code.

WHY IS TEMPORARY SIGN AND BANNER APPROVAL REQUIRED?

The City recognizes the need for signs as a means to identify businesses within the community, and further recognizes that signing is an important design element of the physical environment. The City is committed to preserving and improving its appearance and is striving to provide an economically stable and visually attractive community through site planning, building design, landscaping and signing.

When properly designed, a sign can be pleasing and can harmonize with physical character of its environment. Poorly designed signs, however, detract from the city's aesthetic value, can result in a reduction in property values and in some cases, can present a hazard to both pedestrians and motorists.

The City is committed to preserving its aesthetic value, assuring the health and safety of its residents, and to preserving and maintaining property values. To this end, the Ontario City Council has adopted regulations governing the placement, number, size and design of signs in the City. The implementation of these regulations is ensured through the Sign Plan Application process.
