

EXECUTIVE SUMMARY

1.1 Summary

The Colony Commerce Center West Specific Plan includes approximately 123.17 gross acres located in the southern portion of the City, near to the San Bernardino/Riverside County boundary. The master plan for project will provide for development of industrial buildings offering a variety of uses.

The project site is generally located north of Remington Avenue, south of Merrill Avenue, east of Carpenter Avenue and west of the Cucamonga Creek flood control channel in the City of Ontario, San Bernardino County, California.

The site is also located within Ontario Ranch area which comprises a portion of the former San Bernardino County Agricultural Preserve annexed by the City in 1999. The recently incorporated City of Eastvale (October 2010) is located southeast of Ontario in the County of Riverside, while the City of Chino is located to the west in San Bernardino County.

The relationship of the project site to the surrounding region is depicted in Exhibit 1.1, Regional Context Map. Exhibit 1.2, Vicinity Map, shows the relationship of the site to adjacent land uses. Exhibit 1.3 depicts the development plan for the site.

The City of Ontario Sphere of Influence area, commonly referred to as the “Ag Preserve” was the last significant underdeveloped area in the San Bernardino Valley. In 1993, the San Bernardino Board of Supervisors voted to consider dissolving the Ag Preserve status,

thus paving the way for the transition of agricultural uses to other locations and the ultimate development of the area within an urban setting.

In 1998, the City of Ontario prepared and adopted the Sphere of Influence General Plan Amendment, an amendment to the General Plan of the City of Ontario. Planning for the 8,069 acre Ontario Ranch area is the single most important development issue facing the City of Ontario today. The General Plan for the Ontario Ranch intends to provide the long term vision to create a high quality environment where residents can live, work, and play with a sense of individual neighborhoods rather than engulfed in the Ontario Ranch.

The Sphere of Influence annexation, dedicated as Ontario Ranch was annexed by the City of Ontario on November 30, 1999. The Colony Commerce Center West Specific Plan area is situated within the boundaries of the Ontario Ranch area.

On January 26th, 2010, the City of Ontario adopted The Ontario Plan (TOP) which serves as the City’s new business plan and includes a long term Vision and a principle based Policy Plan (General Plan). The city’s Policy Plan, which acts as the City’s General Plan, designates (Policy Plan Exhibit LU-1-Land Use Plan) the project site for development of industrial uses at a maximum 0.55 floor area ratio (FAR) as illustrated in Exhibit 2.2 Policy Plan (General Plan) Land Use Plan.
