### **COMMISSIONER & LIASION COMMENTS:**

**DE HARO:** Thanked Candice Smith and Ismael Medina for their support and constant guidance during her time as Student Representative. De Haro also thanked the Commission for the opportunity and said she enjoyed participating in the Commission meetings and events. She shared that she felt her opinions were valued.

**FERNANDEZ:** Stated that she looks forward to working with everyone on the Commission. She congratulated the class of 2023, Tiny Tots. Fernandez stated she appreciated the department highlights report and the sharing of the promotional growth within the department staff. She said it's clear that the Recreation staff team is motivated and inspired. Fernandez stated she appreciated the hard work staff put in coordinating the parade. Fernandez asked about the process we follow as children participate in the different activities at the community centers. She asked if they were all considered "walk-ins" or do they need to "pre-register."

**GONZALEZ:** Responded that all our community center activities are free to participants. Gonzalez explained the process of each new participant to the community center, must complete an emergency card for our staff to keep on file. Ages 7 and older are allowed at the center without a parent present. Gonzalez stated that each program is advertised in the Ontario Living Magazine and that all our program flyers state an age requirement.

**FERNANDEZ:** Stated that she noticed many of the activities we promote state that we are an inclusive community. She shared that she wants us to ensure we also respect the parents in our community if they have concerns about their children participating in some of the center events. She stated she wants to ensure that we are inclusive to the parents, taking into consideration the different religious backgrounds and building a halfway point regarding the inclusive environment out there. She wants us to make sure we are not turning away families that do not necessarily agree with the lifestyle we are promoting.

**GONZALEZ:** Stated that as part of the way we create programs and respect our Mission Statement and all of our priority values, we do take into consideration diversity and inclusion. We make sure community members of all ages have an opportunity to participate in programs that they desire. Gonzalez confirmed that all parents have the right to dictate what programs they wish their children to participate in but also the need to

create programming that is inclusive of all community members, no matter where they come from or what they believe in.

**FERNANDEZ:** Shared that her concern is the age requirement. If a 7-year-old comes into the community center and the parent is unaware of what types of activities their child participates in, how can we ensure the parents are informed?

**GONZALEZ:** Stated that would be a separate conversation that the parent would need to have with the staff. Gonzalez stated that we are also designated as mandated reporters as Recreation employees. Our community centers and parks are created as safe places for anyone to participate in. That is the foundation of what we believe in and ties with our values as we create safe and inclusive spaces. We respect parents' opportunity to choose what activities their children participate in. Our staff is always available for parents to converse with to identify those programs.

**FERNANDEZ:** Asked if the youth, teens, or adults are requesting the programs.

**GONZALEZ:** Program suggestions are requested from all age groups. We do a lot of community engagement, asking what the public wants. Gonzalez shared the successful anti-smoking campaign that our teens created and presented to the Commission and went on to be presented at the City Council for approval which created a no-smoking ordinance in all our city parks is one example of a community-driven policy/program.

**FERNANDEZ:** Thanked Gonzalez for taking the time to answer her questions. She seeks to understand so that she can help people who don't fully understand, as we are transparent and have open discussions as the programs grow.

**OVITT:** Shared that he picked up his granddaughter, who attended the city's Summer Day Camp, and how she truly enjoys attending. Ovitt also asked that we look into writing up a history of naming all Ontario city parks. It is historically important to share with the community.

**CASKEY:** Thanked Nicholas Gonzalez for his department report presentation. Caskey also thanked Wilson, Magana, and Powers for their excellent presentations. Caskey welcomed the new Student Representatives, Angel Huerta and Isabelle Siebel, and new Commissioner, Adrienne Fernandez.

**NELSEN:** Thanked Monique De Haro for her dedicated service as Student Representative. Nelsen thanked Nicholas Gonzalez for his reports and Debra Dorst-Porada for attending the meeting.

**BINNEY:** Thanked Monique De Haro for her service as a Student Representative. Binney welcomed Adrienne Fernandez and the new incoming Student Representatives. Binney shared that he spends much time in the parks and finds it comforting as he always sees our park's maintenance staff doing their jobs. Binney stated that it helps him feel more comfortable, safe and that our parks are getting the best care.

Binney also complimented the department's use of TikTok to promote our programs.

**RILEY:** Stated that she echo's everyone's comments about Monique De Haro. She shared that De Haro was the recipient of the 2023 Soroptimist's Violet Richardson's Prism award!

Agenda Report

July 24, 2023

**SECTION:  
NEW BUSINESS**

Department: Recreation & Community Services    Item No: 2563

Prepared By: Kathleen Hickey

Staff Member Presenting: Kathleen Hickey

**SUBJECT:        2023 INDEPENDENCE DAY PARADE EVENT OVERVIEW AND ANNOUNCEMENT  
AND TROPHY PRESENTATION OF PARADE AWARD WINNERS - CRISTIAN MAGANA  
AND ASHLEY POWERS, RECREATION & COMMUNITY SERVICES COORDINATORS**

**RECOMMENDATION:** A presentation and overview of the Independence Day Parade held on July 4, 2023 and announcement of the 2023 Independence Day Parade Award Winners.

**PRIORITY VALUES:**

**Fun- Be enthusiastic, love what you do, and make it enjoyable for all.**

**Commitment- We are passionate in delivering superior service to both our internal and external customers; taking pride in positively influencing their lives.**

**Innovation- We achieve continuous improvement by taking risk, welcoming new ideas, learning from our mistakes and celebrating our successes.**

**Diversity- We welcome and honor the fundamental value and dignity of all individuals.**

**BACKGROUND & ANALYSIS:** The Independence Day Parade is a long-standing tradition in the City of Ontario. This year's theme was Party in the USA. Seventy-nine entries participated, and over 15,000 spectators came out to see the parade. New to the parade were announcers located on top of the C block parking structure, and the judge's viewing location was located on the R Jack Mercer Bandstand. Float entries are judged prior to the parade starting, and the other entries are judged on the parade route. The parade route changed to entries heading south on the Northbound lanes, and staging areas were also adjusted. After the parade, spectators were invited over to Ontario Town Square for a fun-filled FREE All-States Picnic Event.
