## CITY MANAGER'S UPDATE

The holiday season provides joyous free events for families and visitors to enjoy. As part of the Christmas on Euclid Experience, put on by the Greater Ontario Convention & Visitors Bureau, Downtown Ontario will be lined with holiday accents in celebration of the holiday season. Be sure to attend the Annual Holiday Tree Lighting Ceremony, which will be held on December 1 at Ontario Town Square. To find a listing of all events during this holiday season be sure to visit the Bureau's website at [www.ChristmasOnEuclid.com](http://www.ChristmasOnEuclid.com).

As we approach the holiday season, I want to remind all of you to "Shop Local". By shopping local, you help strengthen our economy and encourage local prosperity. The sales tax revenue that we receive is reinvested into the community so we can continue to provide outstanding events and programming for you and your families to enjoy.

Be sure to register now for the Annual 5K Reindeer Run and Rudolph's Dash, which will be held on December 9 at the Citizens Business Bank Arena. Proceeds from this event will benefit the City's Youth Empowerment Scholarship and the Ontario-Montclair Promise Scholars program. For more information and to register for the race, visit [www.ontario5krun.com](http://www.ontario5krun.com).

It has been one year since the Ontario International Airport Authority regained local control of the Ontario International Airport (ONT). Since then, there have been monumental advances made to enhance the passenger experience, including plans for the retail shops in the terminals to undergo a major remodel and increased air service.

Frontier Airlines' new presence at ONT represents the largest commitment of air service at ONT in more than a decade. Frontier Airlines has added routes to Denver, Colorado; Austin and San Antonio, Texas; and Washington Dulles International Airport. In addition to the new service offered by Frontier Airlines, China Airlines has announced they will operate trans-oceanic service between Taiwan Taoyuan International Airport (TPE) and ONT four times a week beginning in Spring 2018. To help passengers easily access ONT, Omnitrans has expanded public transit service to the Airport. Bus Route 61 includes stops at ONT every 15 minutes between 4:45 AM and 10:45 PM on weekdays. This additional service provides easy connections for passengers to connect to neighboring transit operators in the Inland Empire.

The Mayor and City Council are pleased to announce the 2018 State of the City: Business Leadership Symposium, to be held on Wednesday, March 28, 2018 at the Ontario Convention Center. Our theme for this year's event, Leading The Way, will display how the City of Ontario continues to be the center of it all, while discussing topics on leadership, community, business, tourism, and infrastructure. We will recap accomplishments and partnerships made over the year, and we will also provide insight on what to expect in the future.

Have a wonderful holiday season.

# Heritage Corner Last Man's Club

The Grand Army of the Republic (G.A.R.) was a national fraternal organization of Civil War veterans who served in the Union Army, the U.S. Navy and Marines and the Revenue Cutter Service. At the behest of Alois Podrasnik, commander of the Ontario G.A.R., twelve former Civil War soldiers from the Ontario and Pomona G.A.R. posts met on October 18, 1930 to form a Last Man's Club. Its members, ranging in ages 83 to 94 years, agreed to congregate annually for a meeting and dinner. Twelve chairs were to be placed, the seats of members who died since the last meeting would be faced down. The Ontario Women's Relief Corps, by resolution, pledged to furnish a dinner for the club at each annual meeting. Commander Podrasnik (pictured, top left) offered a rare bottle of twenty year old wine to be held for and presented to the last surviving member, who pledged to drink a toast to the memory of his fallen comrades.

On August 30, 1937, a heart attack felled Commander Podrasnik leaving club president David Ballinger as the Last Man. It's not likely he honored the promise to toast his departed club members, as he stated that he had not "drunk more than a half pint of liquor in his 93 years... and that a draught of the vintage wine might make him tipsy."
