CITY MANAGER'S UPDATE

This summer, Ontario will host a wide range of events and complete many exciting projects. The Mayor and City Council have funded an unprecedented number of investments that will enhance our City's infrastructure, bring families together in celebration of award winning events, and create jobs and opportunity for community prosperity.

Continuing our investment in transportation improvements, Ontario celebrated the opening of the \$43 million North Vineyard Railroad Grade Separation on March 18. Nearly a year from now, in spring of 2017, we will be performing the ribbon cutting ceremony for the South Milliken Railroad Grade Separation, a \$79 million City Council project.

On March 23, 2016, the Mayor and City Council hosted our community's annual State of the City. The event brought together nearly 1000 of the region's business leaders and Ontario residents for an evening of inspiration and celebration of the City's 125th birthday and our many achievements. To view this year's videos or for more information about the event, please visit www.OntarioSOC.com.

The Greater Ontario Convention and Visitor's Bureau will host the annual Huck Finn Jubilee Bluegrass Music Festival at Cucamonga-Guasti Regional Park from June 10 thru 12, 2016. This 3-day music festival was established in Southern California in 1975, and brings together thousands of fans for a family-friendly festival that celebrates traditional bluegrass music, education, and the evolution of bluegrass. Guests are welcome to bring their own instruments for site workshops. More information and tickets are available at www.huckfinn.com.

Ontario's July 4th celebration is the premier Independence Day celebration in Southern California. We will once again host the community parade on historic Euclid Avenue featuring floats, marching bands, and local dignitaries. Following the parade and Downtown activities, the community will gather at Westwind Park for our fireworks and music spectacular. More information is available on our City website at www.OntarioCA.gov.

The community will gather once again for Ontario's celebration of National Night Out on August 2, 2016; our annual opportunity for residents to join with our public safety heroes and community organizations in a collective commitment to standing strong in support of community unity. Ontario was the first Southern California city to receive national recognition for its participation in National Night Out, and we have been ranked in the top five host cities each year for the last 25 years.

Finally, I am very happy to report that the City Council's commitment to local control of Ontario International Airport (ONT) continues to become our new reality. The new ONT CEO Kelly J. Fredericks began working for the Ontario International Airport Authority (OIAA) on March 7 and as you have seen in the news, the OIAA and Mr. Fredericks are busy working to restore our region's most important economic and jobs engine.

Enjoy all that Ontario has to offer this summer and as always feel free to contact me if there is anything we can do to connect you with Ontario's many amenities and summer programming.

SMART PHONE APPLICATION

The City of Ontario has unveiled the “myOntario” iPhone and Android Phone application that allows residents with smart phones to point, click and send photos of maintenance issues such as:

- Graffiti
- Potholes
- Roadside debris
- Shopping carts
- Storm drains
- Street sweeping
- Lane striping
- Traffic signs, sidewalk, curb, gutter maintenance
- Tree trimming
- Park maintenance
- Weed abatement
- Sprinkler problems

iPhone and Android users may download the “myOntario” application for free from the iPhone App Store and Android Market by searching for the keyword “myOntario”. Once installed, users will simply open the application and follow the prompts to take a picture of the issue and then tap “submit”. Using built-in global positioning system technology, “myOntario” will attach a location to the picture and route the information about the problem to the appropriate City department for resolution. City staff and Vendors will now be able to respond like a business, using better technology, encouraging efficiency and faster response times.

LOCK CRIME OUT

Protect your family, home and vehicle by remembering to follow tried and true safety tips that will keep you safe all year long:

- Remember to keep all home and vehicle doors and windows locked at all times.
- Make sure the locks are secure. Replace as needed.
- Remember the Crime Prevention Unit offers free home security inspections.
- Keep bushes and plants trimmed back to allow a clear view of your home.
- Remember to keep your home well-lit, both inside and out.
- Use timers or motion detector lights, as needed.
- Start or keep an active Neighborhood Watch program going. A watchful neighbor is your best line of defense.
- Don't leave or store valuables in your car.
- Report any suspicious activity to police dispatch at 909-986-6711.

Contact the Crime Prevention Unit for a new or update Neighborhood Watch meeting:
crimeprevention@ontariopolice.org or 909-395-2939.

WALDO WATERMAN: ONTARIO AVIATOR

Waldo Waterman (1884-1976) was the most experienced of Ontario's early aviators. The Ontario Aircraft Corporation was founded in 1923 by Waldo Waterman and, his friend, Archie Mitchell. Waterman and Mitchell created an airstrip near San Antonio Avenue on land they had leased from the Union Pacific Railroad. They called the airstrip Latimer Field after nearby Latimer Packing House. They built a hanger and started the "Ontario Aircraft Corporation." They flew passengers in their Curtiss JN-4 "Jenny" aircrafts for recreation. In 1929, the City purchased a 30-acre tract just three miles east of the airstrip for an airport and the Latimer Field was abandoned. Waterman, grandson of California Governor Robert Waterman, went on to design several

unique flying machines such as the Waterman Aerobile#6 which is a two-place, high-wing, cabin monoplane with a transmission drive system that operated the propeller in the air and the rear wheels on the ground. The one-piece wing was removed by moving a lever and pins. Painted in "Buick blue," it had many standard Studebaker, Ford, Austin, and Willys automobile parts to keep the price down and maintain the look of a car. It received Federal Aviation Administration certification in the experimental category in 1957, but no market materialized. The Aerobile is on display at the Smithsonian National Space and Air Museum.

KNOW THE ABC'S OF WATER SAFETY

**Drowning is 100% preventable.
Know the ABC's of Water
Safety to keep your child safe
throughout the year!**

Drowning is 100 % preventable, yet is the #1 cause of death for children under the age of five. The majority of drownings occur in residential swimming pools and spas, so remember, only a momentary lack of supervision puts a child at risk.

To prevent this from happening, Ontario Fire Department has adopted a Drowning Prevention Plan. "Children Drown Without a Sound, Learn the ABC's of water safety." Below are the basic ABC's of pool water safety. By learning these basic water safety tips you and your child will learn how to prevent drowning.

- A Active adult supervision** – Maintain visual on children at all times.
- B Barriers** – use multiple barriers to keep children out of the water such as fencing, gates, latches, alarms, pool safety nets and covers.
- C Classes** – Adults should take CPR lessons, learn proper rescue techniques and keep rescue equipment at poolside. Kids can develop swimming skills through qualified and on-going instruction.

For more tips and information, watch the CPR Awareness video on the ABC's of pool safety website at www.ABCpoolsafety.org.

ONTARIO'S NATIONAL NIGHT OUT

Ontario's Mayor and City Council are proud to announce Ontario's Night Out event scheduled for Tuesday, August 2, 2016. This year's event will celebrate our city's ongoing commitment to maintaining a high level of public safety and quality of life for our city.

Night Out is designed to heighten crime and drug prevention awareness, enhance participation in local anticrime efforts, and strengthen our community's partnerships with law enforcement. Last year, Ontario residents from more than 200 neighborhoods participated in the event, which helped us earn 5th place in the nation for cities our size.

We invite Ontario residents to join us in making this year's celebration our largest ever. Areas throughout the city will be hosting special events such as block parties, flashlight walks, youth activities and anti-crime rallies. Several of these events will be highlighted with visits from various police, fire, city and other agency representatives. Visit the Ontario Police Department web site to view additional Night Out ideas and guidelines. (www.ontariopolice.org)

The block parties can be coordinated through neighborhood watch groups, community organizations or businesses seeking a unique outreach project. Residents with an existing neighborhood watch group should contact their block captains for planning information. Contact the Ontario Police Department Crime Prevention Unit at 395-2939 or crimeprevention@ontariopolice.org for more information.

YARD SALE?

THE CITY OF ONTARIO PRESENTS THE UPCOMING YARD SALE WEEKENDS:

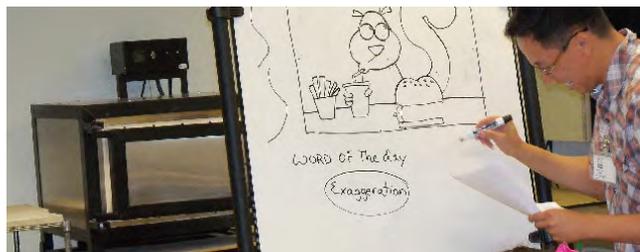

MAY 13-15

Residents will no longer need to go to City Hall to get a garage sale permit. Items for sale must be used merchandise that was owned by the household. One 6 square foot sign can be placed in the front yard to advertise the sale. After August 6, 2010, holding a garage sale on any other days, besides the weekends designated by the City, will result in a possible citation or fine. The City is limiting the dates for yard sales to help prevent traffic and parking problems in our neighborhoods, and to keep the City attractive.

TINY TOTS 3 – 5 YEARS ENRICHMENT LEARNING PROGRAM

The Tiny Tots Enrichment Learning Program is dedicated to improving the well-being of all young children. Children learn through art, literacy, science and math, interactive and purposeful play.

Three year olds learn to transition successfully from home to school in a relaxed fun-filled educational environment while developing social and motor skills. Four and five year olds will continue to develop, gain and refine skills needed for successful social development and school readiness as they transition into kindergarten.

Classes are taught by experienced recreation staff with a student to teacher ratio of 7 to 1. Please call if you are interested in a class that has a Spanish speaking teacher.

Children must be potty trained. No pull-ups allowed.

MANDATORY PARENT ORIENTATION: One parent or other approved representative who were unable to attend open house will be required to stay for a brief 20 minute orientation beginning at 9:15 the first day of class. This includes all returning families.

Parents attending open house will not be required to attend orientation the first day of class.

CHECK US OUT!!! OPEN HOUSE for the general public and families of registered participants will be on Thursday, August 4 at all four sites from 6:00 – 7:00p. Meet the staff and check out the classroom. Teachers will be available to answer your questions and discuss the upcoming curriculum.

ONLINE REGISTRATION is available at no additional cost. Ontario residents will have the opportunity to register for sessions 1 & 2 on-line only before the general public on Monday, July 11 starting at 12a. Online and Walk-in registration for the general public begins on Thursday, July 14. LEVEL 1 –

INTRODUCTION TO WATER SKILLS

3 YEARS+

Establish a comfort level & confidence in the water via bubble blowing, submerging face, kicking, arm circles, assisted front/back floating, and jumping in. Basic safety techniques will be included.

LEVEL 2 –

FUNDAMENTAL AQUATIC SKILLS

4 YEARS+

With no fear of the water, participants bring their Level 1 skills and continue front/back floats, while being introduced to retrieving underwater objects. Swimmers must be able to swim across the pool without stopping to advance to Level 3. Level 2 is comprehensive and may take more than one session to master.

LEVEL 3 –

STROKE DEVELOPMENT

5 YEARS+

Swimmers work on proper freestyle, backstroke and side-breathing techniques and endurance. The introduction of the compact dive, breast stroke, dolphin kicks, treading and retrieving objects from deeper water prepares swimmers for Level 4 deep water at Colony High School.

Prerequisite: Swimmer must have passed Level 2.

LEVEL 4/5 –

STROKE IMPROVEMENT AND REFINEMENT

6 YEARS+

Stroke Advancement & the refinement of swimming skills: mastering front and back crawl, elementary backstroke, fundamental sidestroke and breaststroke, basic diving, treading water, swimming under water, the butterfly kick, wall turns and water safety.

LEVEL 6 –

SWIMMING AND SKILL PROFICIENCY

8 YEARS+

Achieving proficiency and endurance on advanced strokes plus new skills: breaststroke and sidestroke turns, front crawl flip turn, pike and tuck surface dives, and throwing safety assists.

EXHIBITS

FACES OF THE COMMUNITY

Explore the history of Our Lady of Guadalupe Parish and its neighborhood in Ontario at the Ontario Museum of History & Art, Carlson Gallery. Through individual interviews and drawings, artist Andrea Benitez documented the personal histories, experiences and memories of twenty individuals associated with the church in one of the oldest Hispanic neighborhoods.

Thur – Sun 4/7 – 8/7 12:00 – 4:00p Free

The exhibit is part of Ontario's 125th Anniversary in 2016, in conjunction with "Celebrate Heritage at the Square" at Ontario Town Square.

This project was produced with grant support from the Community Foundation serving Riverside and San Bernardino Counties, in collaboration with the Ontario Museum of History & Art, Associates, Chaffey Community Museum of Art, and Our Lady of Guadalupe Parish.

MOTHER ROAD REVISITED: ROUTE SIXTY-SIX THEN AND NOW

U.S. Route 66 was one of the first official highways, established in 1926, the highway connected Chicago, Illinois to Santa Monica, California. Explore the idea of travel and American culture through interactive photography: photographs taken in the 1950s and 1960s along Route 66 are paired with contemporary photographs by Natalie Slater taken along the modern day Route 66, from the exact same location and vantage point. *Mother Road Revisited* is a traveling exhibit coordinated by art2art.

Thur 7/28 – 9/18 Free

GET A TICKET, HOT DOG, AND SODA
STARTING AT \$25

The sign features the Ontario Reign logo at the top left. To its right, the words "VALUE OFFER" are written in large, bold, black letters. Below the logo, there is a list of items: "TICKET", "HOT DOG", and "SODA". Underneath this list is an image of a blue cup of soda and two hot dogs. Below the image, the text "Starting at" is followed by a large "\$25". At the bottom of the sign is another Ontario Reign logo. To the right of the sign, a smaller version of the sign is visible, featuring the Ontario Reign logo, the text "FRIENDS & FAMILY VALUE OFFER", a photo of a player, and the text "Ticket, Hot Dog, Soda".
