I. INTRODUCTION

City of Ontario Community Facilities Districts

On November 30, 1999, the City of Ontario (the “City”) completed the annexation of an 8,000-acre agricultural area in the southern portion of the City. That area, known today as Ontario Ranch, is planned for substantial new development including over 47,000 new homes and 16 million square feet of retail and industrial land uses. In recent years, many new housing projects, retail sites, and business parks in Ontario Ranch have begun to develop. The City estimates that full buildout in Ontario Ranch may take 20 years or more.

This new development requires the City to provide additional public services and facilities. To finance these additional services and facilities, the City has formed Mello-Roos Community Facilities Districts (“CFDs”) on each new project that develops within Ontario Ranch. All new developments within Ontario Ranch are required to form a CFD that pays for public services. Typically, residential projects will also form a CFD that pays for a portion of the public infrastructure that serves each project. Historically, non-residential developments in Ontario Ranch have not used CFDs to finance public infrastructure. This CFD Tax Administration Report (“Report”) provides information regarding the City’s CFDs within Ontario Ranch that are authorized to fund both services and facilities and have issued bonds to pay for public facilities on or prior to June 1, 2024 (the “Ontario Ranch Bonded Facilities/Services CFDs”). All references to CFDs in the remainder of this report refer to the Ontario Ranch Bonded Facilities/Services CFDs, specifically.

Each CFD can potentially be authorized to fund a different set of services and facilities. However, the City typically authorizes special taxes in the Ontario Ranch Bonded Facilities/Services CFDs to pay for street and bridge improvements, domestic and recycled water distribution facilities, sewer and storm drainage facilities, and other public infrastructure improvements for the benefit of residents within each CFD. In addition, the special tax revenues generated in the CFDs can be used to fund police protection services, fire protection and suppression services, ambulance and paramedic services, maintenance and lighting of parks, parkways, streets, roads, and open space, flood and storm protection services, and maintenance and operation of any real property or other tangible property with an estimated useful life of five or more years that is owned by the City for residents within each CFD. A specific list of authorized services and facilities for each CFD may be found in the Resolution of Intention to Establish a Community Facilities District for each CFD.

The Mello-Roos Community Facilities Act of 1982

The California State Legislature (the “Legislature”) approved the Mello-Roos Community Facilities Act of 1982 that provides for the levy of a special tax within a defined geographic area (i.e., a community facilities district) if such a levy is approved by two-thirds of the qualified electors in the area. Community facilities districts can generate funding for a broad range of facilities and eligible services. These services include police protection services, fire protection and suppression services, library services, recreation program services, flood and storm protection services, street lighting services, and maintenance of roads, parks, parkways, and open space.

Special taxes can be allocated to property in any reasonable manner other than on an ad valorem basis.

A community facilities district is authorized to issue tax-exempt bonds that are secured by land within the district. If a parcel does not pay the special tax levied on it, a public agency can foreclose on the parcel and use the proceeds of the foreclosure sale to ensure that bondholders receive interest and principal payments on the bonds. Because bonds issued by a community facilities district are land-secured, there is no risk to a public agency's general fund or taxing capacity. In addition, because the bonds are tax-exempt, they typically carry an interest rate that is lower than conventional construction financing.

II. PURPOSE OF REPORT

This Report presents findings from research and financial analysis performed by Goodwin Consulting Group, Inc. to determine the fiscal year 2024-25 special tax levies for the Ontario Ranch Bonded Facilities/Services CFDs. The Report is intended to provide information to interested parties regarding these CFDs, including the special taxes to be levied in fiscal year 2024-25, the status of development in each CFD, and information regarding special tax delinquencies within each CFD.

The remainder of the Report is organized as follows:

- **Section III** lists the individual CFDs in which special taxes have been levied in fiscal year 2024-25, and also provides information on the status of construction in each CFD. Additionally, information on the special tax bonds is provided in this section.
- **Section IV** identifies the financial obligations, in particular, the Special Tax Requirements for the CFDs for fiscal year 2024-25.
- **Section V** provides a summary of the methodologies used to apportion special taxes among parcels in each CFD.
- **Section VI** describes delinquencies in payment of the special taxes in prior fiscal years.
- **Section VII** provides information regarding state reporting requirements applicable to the CFDs.

III. STATUS OF CFDs

The City of Ontario continues to form new CFDs in Ontario Ranch as new developments are proposed and move through the planning process. However, not all of these CFDs have levied special taxes as of fiscal year 2024-25. The special tax levies for a CFD commence once a building permit has been issued for new construction of a residential unit or a non-residential building in a CFD.

The table below summarizes the Ontario Ranch Bonded Facilities/Services CFDs that have levied special taxes as of fiscal year 2024-25 and provides the outstanding principal amount of special tax bonds for each CFD. The table also shows whether all of the anticipated units and/or non-residential buildings have been issued building permits. The summary tables in Appendix A show the amounts levied in each CFD for fiscal year 2024-25. See the maps included in Appendix C for the specific boundaries of each CFD.

**Status of CFDs
Fiscal Year 2024-25**

CFD No.	CFD Name	First FY Levied	Bond Series	Outstanding Principal*	CFD Built Out**
31	Carriage House / Amberly Lane	2015-16	2017	\$4,455,000	Yes
45	Northpark and Countryside	2019-20	2020	\$8,525,000	Yes
55	Parklane	2021-22	2022	\$9,305,000	Yes
56	Parkside / La Avenida	2022-23	2023	\$19,490,000	No
57	Neuhouse	2021-22	2022	\$12,795,000	Yes

* As of June 30, 2024.

** Indicates that all anticipated residential units and/or non-residential square footage have had building permits issued as of May 1, 2024.

IV. FISCAL YEAR 2024-25 SPECIAL TAX REQUIREMENTS

The special taxes for each of the Ontario Ranch Bonded Facilities/Services CFDs are levied according to the methodology set forth in the Rate and Method of Apportionment of Special Tax (the “RMA”) for that CFD. The RMAs were each adopted as an exhibit to the Resolution of Formation for a given CFD. For the Ontario Ranch Bonded Facilities/Services CFDs, the RMAs allow for two special tax levies within each CFD: one which primarily funds facilities (“Special Tax A”), and another which funds services (“Special Tax B”). While each RMA may contain different terms, they always require that the special tax levied be equal to its respective Special Tax Requirement for that CFD.

Generally, the Special Tax A Requirement means the amount necessary in any fiscal year (i) to pay principal and interest on bonds, (ii) to pay periodic costs on bonds, (iii) to pay a pro rata share of the administrative expenses of the CFD, (iv) to replenish any reserve fund for the bonds, (v) to pay directly for acquisition or construction of facilities, or the cost of services, to the extent that the inclusion of such amounts does not increase the Special Tax A levy on Final Mapped Property or Undeveloped Property, and (vi) provide an amount equal to Special Tax A delinquencies based on the historical delinquency rate for the special taxes as determined by the Administrator. For fiscal year 2024-25, the Special Tax Requirements were based on estimated costs for each CFD provided by the City.

The Special Tax B Requirement means the amount necessary in any fiscal year to pay (i) the cost of services, (ii) a pro rata share of the administrative expenses of the CFD, and (iii) any delinquencies based on the historical delinquency rate for the special taxes as determined by the Administrator. For fiscal year 2024-25, the Special Tax B Requirement is also based on an estimate of costs for each CFD that was provided by the City. The tables in Appendix B show the Special Tax A Requirement and Special Tax B Requirement for each of the Ontario Ranch Bonded Facilities/Services CFDs.

V. SPECIAL TAX LEVIES

Special Tax Categories

Pursuant to the adopted RMAs, all property within each CFD is assigned to a special tax category. The categories are specific to the individual CFD, but typically RMAs will include categories for development status, land use types, ownership, and building square footage. The various special tax categories each have a maximum special tax rate per unit, per square foot, or per acre for both Special Tax A and Special Tax B. Additionally, the category will determine the priority in which each parcel will be taxed. Some categories pertain only to Special Tax A and others only to Special Tax B. A general description of the categories is included below, but terms may differ slightly due to minor differences between the CFDs.

The RMAs define Taxable Property as all parcels within the boundaries of a CFD that are not exempt from the Special Taxes. Each fiscal year, parcels of Taxable Property are classified as Developed Property, Final Mapped Property, Taxable Public Property, Taxable Property Owner Association Property, or Undeveloped Property. Developed Property is further categorized into different land use types and square footage ranges which are specific to each CFD.

- Developed Property means for each fiscal year, all Taxable Property, exclusive of Final Mapped Property, Taxable Property Owner Association Property, and Taxable Public Property, for which a building permit for new construction was issued before May 1 of the prior fiscal year. Thus, assuming no other classification takes precedence, all parcels of Taxable Property for which building permits for new construction were issued before May 1, 2024, are classified as Developed Property and are subject to the special tax levies for that CFD for fiscal year 2024-25.
- Final Mapped Property means, for each Fiscal Year, all Taxable Property, exclusive of Developed Property, Taxable Property Owner Association Property, and Taxable Public Property, which as of January 1 of the previous fiscal year was located within a final subdivision map. Thus, assuming no other classification takes precedence, all parcels of Taxable Property which were located within a final subdivision map as of January 1, 2024 are classified as Final Mapped Property for fiscal year 2024-25.
- Taxable Public Property means, for each fiscal year, all parcels owned by a public agency that are not exempt from the special taxes. The RMAs set a limit on the amount of acreage of Public Property in each CFD that will be exempt from the special taxes, and any subsequent public property will be classified as Taxable Public Property.
- Taxable Property Owner Association Property means, for each fiscal year, all parcels owned by a property owner association as of January 1 of the prior fiscal year that are not exempt from the special taxes. The RMAs set a limit on the amount of acreage of Property Owner Association Property in each CFD that will be exempt from the special taxes, and any subsequent property owner association property will be classified as Taxable Property Owner Association Property.

- Finally, Undeveloped Property means, for each fiscal year, all Taxable Property not classified as Developed Property, Final Mapped Property, Taxable Public Property, or Taxable Property Owner Association Property.

Maximum Special Tax Rates

Special Tax A

Section C of each RMA describes the Assigned Special Tax A rates that apply to each parcel of Developed Property. The Maximum Special Tax A rates applicable to all categories of property in the CFDs are also set forth in Section C of the RMAs. However, the RMAs specify that the Assigned Special Tax A on Developed Property shall be analyzed prior to the issuance of bonds. The CFD Administrator shall use the Price Point Study to calculate the Total Tax Burden applicable to all Units, which shall not exceed 1.95% of the Minimum Sale Price of such Units. The Assigned Special Tax A shall be reduced to the extent necessary to cause the Total Tax Burden that shall apply to Units within such Land Use Class(es) not to exceed 1.95% of the Minimum Sale Price of such Units. Each Assigned Special Tax A reduction for a Land Use Class shall be calculated by the CFD Administrator separately, and it shall not be required that such reduction be proportionate among Land Use Classes. In connection with any reduction in the Assigned Special Tax A, the Backup Special Tax A shall also be reduced by the CFD Administrator based on the percentage reduction in Maximum Special Tax A revenues within the Tentative Tract Map area(s) where the Assigned Special Tax A reductions occurred. This process was carried out for each CFD prior to the issuance of bonds in that CFD. The tables in Appendix A show the final Assigned Special Tax A rates for each CFD, including any required reductions.

For Developed Property, the Maximum Special Tax A rate is determined by calculating the greater of the applicable Assigned Special Tax A rate and the applicable Backup Special Tax A rate. Generally for residential land use types, the Assigned Special Tax A rates can vary based on the square footage of the Unit in question. For other types of property, the Assigned Special Tax A rates are typically applied on a per-acre basis.

In each CFD, the Backup Special Tax A rates are initially set based on the expected land uses in that CFD at the time the CFD is formed. The Backup Special Tax A rates may be recalculated in the future if the expected land uses within the CFD change. However, once a parcel has been classified as Developed Property, its Backup Special Tax A shall not change.

The percentage of the Assigned and Maximum Special Tax A rates that will be levied on each land use category in fiscal year 2024-25 is determined by the method of apportionment included in Section D of each RMA. The tables in Appendix A identify the Maximum Special Tax A that can be levied on property in each of the CFDs.

Special Tax B

The Maximum Special Tax B rates applicable to each category of property are set forth in Section C of each RMA. The percentage of the Maximum Special Tax B rates that will be levied on each land use category in fiscal year 2024-25 is determined by the method of apportionment included

in Section D of each RMA. The tables in Appendix A identify the Maximum Special Tax B that can be levied on property in each of the CFDs.

Apportionment of Special Taxes

Special Tax A

The amount of Special Tax A levied on each parcel in a given CFD each fiscal year will be determined by application of Section D of that RMA. Pursuant to this section, the Special Tax A will be levied as follows:

- (1) First, the Special Tax A will be levied proportionately on each parcel of Developed Property up to 100% of the applicable Assigned Special Tax A, until the Special Tax A Requirement is satisfied.
- (2) If additional monies are needed to satisfy the Special Tax A Requirement after the first step has been completed, then Special Tax A shall be levied proportionately on each parcel of Final Mapped Property up to 100% of the Maximum Special Tax A for Final Mapped Property.
- (3) If additional monies are needed to satisfy the Special Tax A Requirement after the first two steps have been completed, then Special Tax A shall be levied proportionately on each parcel of Undeveloped Property up to 100% of the Maximum Special Tax A for Undeveloped Property.
- (4) If additional monies are needed to satisfy the Special Tax A Requirement after the first three steps have been completed, then the levy of Special Tax A on each Assessor's Parcel of Developed Property whose Maximum Special Tax A is determined through the application of the Backup Special Tax A shall be increased proportionately from the Assigned Special Tax A up to the Maximum Special Tax A for each such parcel.
- (5) If additional monies are needed to satisfy the Special Tax A Requirement after the first four steps have been completed, then Special Tax A shall be levied proportionately on each parcel of Taxable Property Owner Association Property up to 100% of the Maximum Special Tax A for Taxable Property Owner Association Property.
- (6) If additional monies are needed to satisfy the Special Tax A Requirement after the first five steps have been completed, then Special Tax A shall be levied proportionately on each parcel of Taxable Public Property up to 100% of the Maximum Special Tax A for Taxable Public Property.

The actual Special Tax A rates and the number of units of Taxable Property for fiscal year 2024-25 are shown in the tables in Appendix A.

Special Tax B

The amount of Special Tax B levied on each parcel in each fiscal year will be determined by application of Section D of the applicable RMA. Pursuant to this section, the Special Tax B

Requirement will be allocated by levying the special tax proportionately on each parcel or portion of each parcel of Developed Property up to 100% of the Maximum Special Tax B, until the Special Tax B Requirement is satisfied. The actual Special Tax B rates and the number of units of Taxable Property for fiscal year 2024-25 are shown in the tables in Appendix A.

VI. SPECIAL TAX DELINQUENCIES

The special taxes for the CFDs are collected via the annual secured property tax bills issued by San Bernardino County. Annually, around July 1 of each year, the San Bernardino County Auditor-Controller's Office reports on the special taxes that are delinquent. As of the date of this Report, the Auditor-Controller's Office has not yet provided delinquency information. This Report will be revised once that information is available.

VII. STATE REPORTING REQUIREMENTS

Assembly Bill No. 1666

On July 25, 2016, Governor Jerry Brown signed Assembly Bill No. 1666, adding Section 53343.2 to the California Government Code (“GC”). The bill enhances the transparency of community facilities districts by requiring that certain reports be accessible on a local agency’s web site. Pursuant to Section 53343.2, a local agency that has a web site shall, within seven months after the last day of each fiscal year of the district, display prominently on its web site the following information:

Item (a): A copy of an annual report, if requested, pursuant to GC Section 53343.1. The report required by Section 53343.1 includes CFD budgetary information for the prior fiscal year and is only prepared by a community facilities district at the request of a person who resides in or owns property in the community facilities district. If the annual report has not been requested to be prepared, then a posting to the web site would not be necessary.

Item (b): A copy of the report provided to the California Debt and Investment Advisory Commission (“CDIAC”) pursuant to GC Section 53359.5. Under Section 53359.5, local agencies must provide CDIAC with the following: (i) notice of proposed sale of bonds; (ii) annual reports on the fiscal status of bonded districts; and (iii) notice of any failure to pay debt service on bonds, or of any draw on a reserve fund to pay debt service on bonds.

Item (c): A copy of the report provided to the State Controller’s Office pursuant to GC Section 12463.2. This section refers to the parcel tax portion of a local agency’s Financial Transactions Report that is prepared for the State Controller’s Office annually. Note that school districts are not subject to the reporting required by GC Section 12463.2.

Assembly Bill No. 1483

On October 9, 2019, Governor Gavin Newsom signed Assembly Bill No. 1483, adding Section 65940.1 to the California Government Code. The law requires that a city, county, or special district that has an internet website, maintain on its website a current schedule of fees, exactions, and affordability requirements imposed by the public agency on all housing development projects. Pursuant to Section 65940.1, the definition of an exaction includes a special tax levied pursuant to the Mello-Roos Community Facilities Act.

Assembly Bill No. 1483 defines a housing development project as consisting of (a) residential units only; or (b) mixed-use developments consisting of residential and non-residential land uses with at least two-thirds of the square footage designated for residential use; or (c) transitional housing or supportive housing. Assembly Bill No. 1483 also requires a city, county, or special district to update this information on their website within 30 days of any changes made to the information.

Senate Bill No. 165

On September 18, 2000, former Governor Gray Davis signed Senate Bill 165 which enacted the Local Agency Special Tax and Bond Accountability Act. In approving the bill, the Legislature declared that local agencies need to demonstrate to the voters that special taxes and bond proceeds are being spent on the facilities and services for which they were intended. To further this objective, the Legislature added Sections 50075.3 and 53411 to the California Government Code setting forth annual reporting requirements relative to special taxes collected and bonds issued by a local public agency. Pursuant to the Sections 50075.3 and 53411, the “chief fiscal officer” of the public agency will, by January 1, 2002, and at least once a year thereafter, file a report with the City setting forth (i) the amount of special taxes that have been collected and expended; (ii) the status of any project required or authorized to be funded by the special taxes; (iii) if bonds have been issued, the amount of bonds that have been collected and expended; and (iv) if bonds have been issued, the status of any project required or authorized to be funded from bond proceeds

APPENDIX A

Summaries of Fiscal Year 2024-25 Special Tax Levies

City of Ontario
