I. INTRODUCTION

City of Ontario Community Facilities Districts

In 2007 and 2013, the City of Ontario (the “City”) formed three Mello-Roos Community Facilities Districts (“CFDs”) for specific projects. These three projects are located in the more-developed part of the City to the north of Ontario Ranch, in an area known as the Old Model Colony. Each of these developments required the City to provide additional public services, which are described in greater detail below. This CFD Tax Administration Report (“Report”) provides information regarding the City’s CFDs within the Old Model Colony that are only funding public services (the “Old Model Colony Services CFDs”). All references to CFDs in the remainder of this report refer to the Old Model Colony Services CFDs, specifically.

City of Ontario Community Facilities District No. 10

On July 17, 2007, the City of Ontario City Council (the “City Council”) adopted Resolution No. 2007-093, which established the City of Ontario Community Facilities District No. 10 (Ontario Airport Towers) (“CFD No. 10”). A successful landowner election authorized the levy of a Mello-Roos special tax on property within CFD No. 10. In 2008 and 2009, the City Council authorized amendments to the Rate and Method of Apportionment to modify the maximum special tax rates in CFD No. 10. Special tax revenues will fund police protection services, fire protection and rescue services, and parkway and open space maintenance services for landowners within CFD No. 10.

CFD No. 10 is located in the northern part of the City, just north of the Ontario International Airport. CFD No. 10 is bordered by I-10 to the north, E. Guasti Road to the south, and N. Archibald Avenue to the west. CFD No. 10 encompasses a 25-acre site known as the Ontario Airport Towers project. The development plan for the area within CFD No. 10 includes the construction of five office buildings, a retail building, and a hotel.

City of Ontario Community Facilities District No. 20

On July 16, 2013, the City Council adopted Resolution No. 2013-082, which established Community Facilities District No. 20 of the City of Ontario (Wal-Mart) (“CFD No. 20”). A successful landowner election authorized the levy of a Mello-Roos special tax on property within CFD No. 20. Special tax revenues will fund the operation and maintenance of public street lighting facilities and landscaping services for certain medians and parkways.

CFD No. 20 is located in the northwestern part of the City, within the Mountain Village Specific Plan Area. CFD No. 20 encompasses an approximately 16-acre site between Mountain Avenue and Elderberry Avenue, north of 5th Street. The area within CFD No. 20 has been developed as a retail shopping center including a Wal-Mart store and space for other retail tenants.

City of Ontario Community Facilities District No. 21

On August 20, 2013, the City Council adopted Resolution No. 2013-088, which established Community Facilities District No. 21 of the City of Ontario (Parkside) (“CFD No. 21”). A successful landowner election authorized the levy of a Mello-Roos special tax on property within CFD No. 21. Special tax revenues will fund the operation and maintenance of public street lighting facilities and landscaping services for certain medians and parkways.

CFD No. 21 is located just north of the Ontario International Airport, within the Ontario Festival Specific Plan Area. CFD No. 21 encompasses an approximately 20-acre site between Turner Avenue and Archibald Avenue, north of Inland Empire Boulevard. The development plan for the area within CFD No. 21 includes the construction of up to 302 dwelling units.

The Mello-Roos Community Facilities Act of 1982

The California State Legislature (the “Legislature”) approved the Mello-Roos Community Facilities Act of 1982 that provides for the levy of a special tax within a defined geographic area (i.e., a community facilities district) if such a levy is approved by two-thirds of the qualified electors in the area. Community facilities districts can generate funding for a broad range of facilities and eligible services. These services include police protection services, fire protection and suppression services, library services, recreation program services, flood and storm protection services, street lighting services, and maintenance of roads, parks, parkways, and open space. Special taxes can be allocated to property in any reasonable manner other than on an ad valorem basis.

II. PURPOSE OF REPORT

This Report presents findings from research and financial analysis performed by Goodwin Consulting Group, Inc. to determine the fiscal year 2022-23 special tax levies for the Old Model Colony Services CFDs. The Report is intended to provide information to interested parties regarding these CFDs, including the special taxes to be levied in fiscal year 2022-23, the status of development in each CFD, and information regarding special tax delinquencies within each CFD.

The remainder of the Report is organized as follows:

- **Section III** lists the individual CFDs in which special taxes have been levied in fiscal year 2022-23, and also provides information on the status of construction in each CFD.
- **Section IV** identifies the financial obligations, in particular, the Special Tax Requirements for the CFDs for fiscal year 2022-23.
- **Section V** provides a summary of the methodologies used to apportion special taxes among parcels in each CFD.
- **Section VI** describes delinquencies in payment of the special taxes in prior fiscal years.
- **Section VII** provides information regarding state reporting requirements applicable to the CFDs.

III. STATUS OF CFDs

The table below summarizes the Old Model Colony Services CFDs that have levied special taxes as of fiscal year 2022-23. The table also shows whether all of the anticipated units and/or non-residential buildings have been issued building permits. The summary tables in Appendix A show the amounts levied in each CFD for fiscal year 2022-23. See the maps included in Appendix C for the specific boundaries of each CFD.

**Status of CFDs
Fiscal Year 2022-23**

CFD No.	CFD Name	First FY Levied	CFD Built Out*
10	Ontario Airport Towers	2008-09	Yes
20	Wal-Mart	2014-15	Yes
21	Parkside	2014-15	Yes

** Indicates that all anticipated residential units and/or non-residential square footage have had building permits issued as of May 1, 2022.*

IV. FISCAL YEAR 2022-23 SPECIAL TAX REQUIREMENTS

The special tax for each of the Old Model Colony Services CFDs is levied according to the methodology set forth in the Rate and Method of Apportionment of Special Tax (the “RMA”) for that CFD. The RMAs were each adopted as an exhibit to the Resolution of Formation for a given CFD, and some were subsequently amended by the City Council. While each RMA may contain different terms, they always require that the special tax levied be equal to the Special Tax Requirement for that CFD. Generally, the Special Tax Requirement means the amount necessary in any fiscal year to pay (i) the cost of services, (ii) administrative expenses of the CFD, and (iii) any delinquencies based on the historical delinquency rate for the special taxes as determined by the Administrator. For fiscal year 2022-23, the Special Tax Requirements were based on estimated costs for each CFD provided by the City. The tables in Appendix B show the Special Tax Requirement for each of the Old Model Colony Services CFDs.

V. SPECIAL TAX LEVIES

Special Tax Categories

Pursuant to the adopted RMAs, all property within each CFD is assigned to a special tax category. The categories are specific to the individual CFD, but typically RMAs will include categories for development status, land use types, and ownership. The various special tax categories each have a maximum special tax rate per unit, per building square foot, or per acre. Additionally, the category will determine the priority in which each parcel will be taxed. Categories created for one CFD do not pertain to any other CFD. The tables in Appendix A of this report show the amount of property in each category, the maximum special tax rate, and the actual amount of special tax levied in fiscal year 2022-23. A more detailed description of the special tax categories for each CFD is included below.

CFD No. 10

Special taxes within CFD No. 10 are levied pursuant to the methodology set forth in the RMA, which establishes a single special tax category, Taxable Property, against which the special tax can be levied each fiscal year. Taxable Property is defined as all parcels within the boundaries of CFD No. 10 which are not exempted from the special tax. Since no exemptions apply, all property within CFD No. 10 will be subject to the special tax levy for fiscal year 2022-23.

CFD No. 20

Special taxes within CFD No. 20 are levied pursuant to the methodology set forth in the RMA, which defines Taxable Property as all parcels of Developed Property within the boundaries of CFD No. 20 that are not exempt from the special tax.

Developed Property means, for each fiscal year, all property, exclusive of public property, for which a building permit for new construction was issued after January 1, 2012, and before May 1 of the prior fiscal year. Thus, all properties for which a building permit for new construction was issued after January 1, 2012, and before May 1, 2022, are classified as Developed Property and are subject to the special tax levy for fiscal year 2022-23.

CFD No. 21

Special taxes within CFD No. 21 are levied pursuant to the methodology set forth in the RMA, which defines Taxable Property as all parcels of Residential Property within the boundaries of CFD No. 21 that are not exempt from the special tax. Each fiscal year, all parcels of Taxable Property are classified as Detached Property or Attached Property and are subject to the levy of the special tax.

- Detached Property is defined as any residential building containing one dwelling Unit on one parcel, including a single family residence, single family residential condominium, detached townhome, or manufactured unit on an individual lot. Pursuant to the RMA, a Unit means an individual dwelling unit of any configuration.

- Attached Property is defined as any dwelling Unit that shares, or will share, an inside wall with another dwelling Unit.

Residential Property means, for each fiscal year, all parcels for which a building permit for new construction was issued after January 1, 2013, and before May 1 of the prior fiscal year. Thus, all Detached Property and Attached Property for which a building permit for new construction was issued after January 1, 2013, and before May 1, 2022, are classified as Residential Property and are subject to the special tax levy for fiscal year 2022-23.

Maximum Special Tax Rates

The maximum special tax rates applicable to each category of property are set forth in Section C of each RMA. The percentage of the maximum special tax that will be levied on each land use category in fiscal year 2022-23 is determined by the method of apportionment included in Section D of each RMA. The tables in Appendix A identify the maximum annual special taxes that can be levied on property in the CFDs. Below is a description of the annual escalation that affects the maximum special tax rates in each of the Old Model Colony Services CFDs.

CFD No. 10

The maximum special tax rate shall be increased each year by the greater of (i) the increase, if any, in the Consumer Price Index for the Los Angeles-Riverside-Orange County Area for All Urban Consumers, or (ii) two percent. In December 2017, the Consumer Price Index for the Los Angeles-Riverside-Orange County Area was discontinued. The City has elected to use the Consumer Price Index for the Riverside-San Bernardino-Ontario Area as the replacement index to escalate the maximum special tax going forward.

CFD No. 20

Annually, on April 1, the maximum special tax shall be increased by the greater of the twelve month percentage change in: (i) the Consumer Price Index for All Urban Consumers in the Riverside-San Bernardino-Ontario area, or; (ii) the Southern California Edison LS-2 rate. The City selected the CPI for the Riverside-San Bernardino-Ontario area as a reasonable replacement after the original index was discontinued.

CFD No. 21

Annually, on July 1, the maximum special taxes shall be increased by the greater of: (i) an amount equal to 2.0% of the amount in effect for the prior fiscal year, or; (ii) the percentage change for the preceding 12 months in the Consumer Price Index for All Urban Consumers in the Los Angeles-Long Beach-Anaheim area. Again, the City selected the CPI for the Riverside-San Bernardino-Ontario area as a reasonable replacement for the original index.

Apportionment of Special Taxes

The amount of special tax levied on each parcel in each fiscal year will be determined by application of Section D of the applicable RMA. Pursuant to this section, the Special Tax Requirement will be allocated by levying the special tax proportionally on each parcel or portion of each parcel of Taxable Property up to 100% of the maximum special tax, until the Special Tax Requirement is satisfied. The actual special tax rates and the number of units of Taxable Property for fiscal year 2022-23 are shown in the tables in Appendix A.

VI. SPECIAL TAX DELINQUENCIES

The special taxes for the CFDs are collected via the annual secured property tax bills issued by San Bernardino County. Annually, around July 1 of each year, the San Bernardino County Auditor-Controller's Office reports on the special taxes that are delinquent. Appendix D of this report shows the parcels and unpaid amounts from prior years that have been reported by the County as delinquent.

These delinquencies shall be collected through San Bernardino County's collection process. The Special Tax Requirements for fiscal year 2022-23 have not been increased as a result of the fiscal year 2021-22 delinquencies.

VII. STATE REPORTING REQUIREMENTS

Assembly Bill No. 1666

On July 25, 2016, Governor Jerry Brown signed Assembly Bill No. 1666, adding Section 53343.2 to the California Government Code (“GC”). The bill enhances the transparency of community facilities districts by requiring that certain reports be accessible on a local agency’s web site. Pursuant to Section 53343.2, a local agency that has a web site shall, within seven months after the last day of each fiscal year of the district, display prominently on its web site the following information:

Item (a): A copy of an annual report, if requested, pursuant to GC Section 53343.1. The report required by Section 53343.1 includes CFD budgetary information for the prior fiscal year and is only prepared by a community facilities district at the request of a person who resides in or owns property in the community facilities district. If the annual report has not been requested to be prepared, then a posting to the web site would not be necessary.

Item (b): A copy of the report provided to the California Debt and Investment Advisory Commission (“CDIAC”) pursuant to GC Section 53359.5. Under Section 53359.5, local agencies must provide CDIAC with the following: (i) notice of proposed sale of bonds; (ii) annual reports on the fiscal status of bonded districts; and (iii) notice of any failure to pay debt service on bonds, or of any draw on a reserve fund to pay debt service on bonds.

Item (c): A copy of the report provided to the State Controller’s Office pursuant to GC Section 12463.2. This section refers to the parcel tax portion of a local agency’s Financial Transactions Report that is prepared for the State Controller’s Office annually. Note that school districts are not subject to the reporting required by GC Section 12463.2.

Assembly Bill No. 1483

On October 9, 2019, Governor Gavin Newsom signed Assembly Bill No. 1483, adding Section 65940.1 to the California Government Code. The law requires that a city, county, or special district that has an internet website, maintain on its website a current schedule of fees, exactions, and affordability requirements imposed by the public agency on all housing development projects. Pursuant to Section 65940.1, the definition of an exaction includes a special tax levied pursuant to the Mello-Roos Community Facilities Act.

Assembly Bill No. 1483 defines a housing development project as consisting of (a) residential units only; or (b) mixed-use developments consisting of residential and non-residential land uses with at least two-thirds of the square footage designated for residential use; or (c) transitional housing or supportive housing. Assembly Bill No. 1483 also requires a city, county, or special district to update this information on their website within 30 days of any changes made to the information.

Senate Bill No. 165

On September 18, 2000, former Governor Gray Davis signed Senate Bill 165 which enacted the Local Agency Special Tax and Bond Accountability Act. In approving the bill, the Legislature declared that local agencies need to demonstrate to the voters that special taxes and bond proceeds are being spent on the facilities and services for which they were intended. To further this objective, the Legislature added Sections 50075.3 and 53411 to the California Government Code setting forth annual reporting requirements relative to special taxes collected and bonds issued by a local public agency. Pursuant to the Sections 50075.3 and 53411, the “chief fiscal officer” of the public agency will, by January 1, 2002, and at least once a year thereafter, file a report with the City setting forth (i) the amount of special taxes that have been collected and expended; (ii) the status of any project required or authorized to be funded by the special taxes; (iii) if bonds have been issued, the amount of bonds that have been collected and expended; and (iv) if bonds have been issued, the status of any project required or authorized to be funded from bond proceeds
