I. INTRODUCTION

City of Ontario Community Facilities Districts

On November 30, 1999, the City of Ontario (the “City”) completed the annexation of an 8,000-acre agricultural area in the southern portion of the City. That area, known today as Ontario Ranch, is planned for substantial new development including over 47,000 new homes and 16 million square feet of retail and industrial land uses. In recent years, many new housing projects, retail sites, and business parks in Ontario Ranch have begun to develop. The City estimates that full buildout in Ontario Ranch may take 20 years or more.

This new development requires the City to provide additional public services and facilities. To finance these additional services and facilities, the City has formed Mello-Roos Community Facilities Districts (“CFDs”) on each new project that develops within Ontario Ranch. All new developments within Ontario Ranch are required to form a CFD that pays for public services. Typically, residential projects will also form a CFD that pays for a portion of the public infrastructure that serves each project. Historically, non-residential developments in Ontario Ranch have not used CFDs to finance public infrastructure. This CFD Tax Administration Report (“Report”) provides information regarding the City’s CFDs within Ontario Ranch that are only authorized to pay for public services (the “Ontario Ranch Services CFDs”). All references to CFDs in the remainder of this report refer to the Ontario Ranch Services CFDs, specifically.

Each CFD can potentially be authorized to fund a different set of services. However, the City typically authorizes special taxes in the Ontario Ranch Services CFDs to pay for police protection services, fire protection and suppression services, ambulance and paramedic services, maintenance and lighting of parks, parkways, streets, roads, and open space, flood and storm protection services, and maintenance and operation of any real property or other tangible property with an estimated useful life of five or more years that is owned by the City for residents within a given CFD. A specific list of authorized services for each CFD may be found in the Resolution of Intention to Establish a Community Facilities District for each CFD.

The Mello-Roos Community Facilities Act of 1982

The California State Legislature (the “Legislature”) approved the Mello-Roos Community Facilities Act of 1982 that provides for the levy of a special tax within a defined geographic area (i.e., a community facilities district) if such a levy is approved by two-thirds of the qualified electors in the area. Community facilities districts can generate funding for a broad range of facilities and eligible services. These services include police protection services, fire protection and suppression services, library services, recreation program services, flood and storm protection services, street lighting services, and maintenance of roads, parks, parkways, and open space. Special taxes can be allocated to property in any reasonable manner other than on an ad valorem basis.

II. PURPOSE OF REPORT

This Report presents findings from research and financial analysis performed by Goodwin Consulting Group, Inc. to determine the fiscal year 2022-23 special tax levy for the Ontario Ranch Services CFDs. The Report is intended to provide information to interested parties regarding these CFDs, including the special taxes to be levied in fiscal year 2022-23, the status of development in each CFD, and information regarding special tax delinquencies within each CFD.

The remainder of the Report is organized as follows:

- **Section III** lists the individual CFDs in which special taxes have been levied in fiscal year 2022-23, and also provides information on the status of construction in each CFD.
- **Section IV** identifies the financial obligations, in particular, the Special Tax Requirements for the CFDs for fiscal year 2022-23.
- **Section V** provides a summary of the methodologies used to apportion special taxes among parcels in each CFD.
- **Section VI** describes delinquencies in payment of the special taxes in prior fiscal years.
- **Section VII** provides information regarding state reporting requirements applicable to the CFDs.

III. STATUS OF CFDs

The City of Ontario continues to form new Ontario Ranch Services CFDs as new developments are proposed and move through the planning process. However, not all of these CFDs have levied special taxes as of fiscal year 2022-23. The special tax levy for a CFD commences once a building permit has been issued for new construction of a residential unit or a non-residential building in a CFD.

The table below summarizes the CFDs that have levied special taxes as of fiscal year 2022-23. The table also shows whether all of the anticipated units and/or non-residential buildings have been issued building permits. The summary tables in Appendix A show the amounts levied in each CFD for fiscal year 2022-23. See the maps included in Appendix C for the specific boundaries of each CFD.

**Status of CFDs
Fiscal Year 2022-23**

CFD No.	CFD Name	First FY Levied	CFD Built Out*
9	Edenglen	2008-09	No
19	Countryside Phase 1 - Services	2017-18	No
23	Park Place Services	2015-16	No
27	New Haven Services	2015-16	No
32	Archibald/Shaefer - Services	2019-20	No
37	Park & Turner NE Services	2018-19	Yes
44	Esperanza Services	2019-20	No
47	Colony Commerce Center West I Services	2019-20	Yes
48	Tevelde Services	2020-21	Yes
49	Avenue 176 Services	2020-21	Yes
50	West Ontario Logistics Center Services	2019-20	Yes
51	Ontario Ranch Logistics Center Services	2020-21	Yes
58	Colony Commerce Center East Services	2020-21	Yes
60	Ontario Ranch Business Park Services	2022-23	No

* Indicates that all anticipated residential units and/or non-residential square footage have had building permits issued as of May 1, 2022.

IV. FISCAL YEAR 2022-23 SPECIAL TAX REQUIREMENTS

The special tax for each of the Ontario Ranch Services CFDs is levied according to the methodology set forth in the Rate and Method of Apportionment of Special Tax (the “RMA”) for that CFD. The RMAs were each adopted as an exhibit to the Resolution of Formation for a given CFD. While each RMA may contain different terms, they always require that the special tax levied be equal to the Special Tax Requirement for that CFD. Generally, the Special Tax Requirement means the amount necessary in any fiscal year to pay (i) the cost of services, (ii) administrative expenses of the CFD, and (iii) any delinquencies based on the historical delinquency rate for the special taxes as determined by the Administrator. For fiscal year 2022-23, the Special Tax Requirements were based on estimated costs for each CFD provided by the City. The tables in Appendix B show the Special Tax Requirement for each of the Ontario Ranch Services CFDs.

V. SPECIAL TAX LEVIES

Special Tax Categories

Pursuant to the adopted RMAs, all property within each CFD is assigned to a special tax category. The categories are specific to the individual CFD, but typically RMAs will include categories for development status, land use types, and ownership. The various special tax categories each have a maximum special tax rate per unit or per building square foot. Additionally, the category will determine the priority in which each parcel will be taxed. A general description of the categories is included below, but terms may differ slightly due to minor differences between the CFDs.

The RMAs define Taxable Property as all parcels of Residential Property and Non-Residential Property within the boundaries of the CFD that are not exempt from the special tax. Each fiscal year, all parcels of Taxable Property are classified as Residential Property or Non-Residential Property and are subject to the levy of the special tax. Residential Property is further categorized into Single Family Detached Dwelling Units, Multiple Family Dwelling Units, or Gated Community Attached Dwelling Units.

- A Single Family Detached Dwelling Unit is defined as any residential building containing only one Unit on one legal lot, including single family residences and single family detached residential condominium units. Pursuant to the RMAs, a Unit means an individual dwelling unit of any configuration, including each separate dwelling unit within a half-plex, duplex, triplex, fourplex or other residential building.
- A Multiple Family Dwelling Unit is defined as a Unit within any residential building containing two or more dwelling units, including attached condominiums, townhomes, duplexes, triplexes, and apartments, but excluding Gated Community Attached Dwelling Units.
- A Gated Community Attached Dwelling Unit is defined as a Unit within any residential building containing two or more dwelling units, including attached condominiums, townhomes, duplexes, triplexes, and apartments, within a gated community that, within such community, is primarily served by private interior streets.

Residential Property means, for each fiscal year, all parcels for which a building permit for new construction of one or more Units was issued before May 1 of the prior fiscal year. Thus, all Single Family Detached Dwelling Units, Multiple Family Dwelling Units, and Gated Community Attached Dwelling Units for which building permits for new construction were issued before May 1, 2022, are classified as Residential Property and are subject to the special tax levy for fiscal year 2022-23.

Non-Residential Property means, for each fiscal year, all parcels for which a building permit for new construction was issued before May 1 of the prior fiscal year, for a non-residential use. Thus, all non-residential structures for which building permits for new construction were issued before May 1, 2022, are classified as Non-Residential Property and are subject to the special tax levy for fiscal year 2022-23.

Maximum Special Tax Rates

The maximum special tax rates applicable to each category of property are set forth in Section C of each RMA. The percentage of the maximum special tax that will be levied on each land use category in fiscal year 2022-23 is determined by the method of apportionment included in Section D of each RMA. The tables in Appendix A identify the maximum annual special taxes that can be levied on property in the CFDs.

Apportionment of Special Taxes

The amount of special tax levied on each parcel in each fiscal year will be determined by application of Section D of the applicable RMA. Pursuant to this section, the Special Tax Requirement will be allocated by levying the special tax proportionally on each parcel or portion of each parcel of Taxable Property up to 100% of the maximum special tax, until the Special Tax Requirement is satisfied. However, the RMAs typically state that the special tax levied in any fiscal year shall not increase by more than 4.0% of the amount of the special tax levied in the prior fiscal year. The actual special tax rates and the number of units of Taxable Property for fiscal year 2022-23 are shown in the tables in Appendix A.

VI. SPECIAL TAX DELINQUENCIES

The special taxes for the CFDs are collected via the annual secured property tax bills issued by San Bernardino County. Annually, around July 1 of each year, the San Bernardino County Auditor-Controller's Office reports on the special taxes that are delinquent. Appendix D of this report shows the parcels and unpaid amounts from prior years that have been reported by the County as delinquent.

These delinquencies shall be collected through San Bernardino County's collection process. The Special Tax Requirements for fiscal year 2022-23 have not been increased as a result of the fiscal year 2021-22 delinquencies.

VII. STATE REPORTING REQUIREMENTS

Assembly Bill No. 1666

On July 25, 2016, Governor Jerry Brown signed Assembly Bill No. 1666, adding Section 53343.2 to the California Government Code (“GC”). The bill enhances the transparency of community facilities districts by requiring that certain reports be accessible on a local agency’s web site. Pursuant to Section 53343.2, a local agency that has a web site shall, within seven months after the last day of each fiscal year of the district, display prominently on its web site the following information:

Item (a): A copy of an annual report, if requested, pursuant to GC Section 53343.1. The report required by Section 53343.1 includes CFD budgetary information for the prior fiscal year and is only prepared by a community facilities district at the request of a person who resides in or owns property in the community facilities district. If the annual report has not been requested to be prepared, then a posting to the web site would not be necessary.

Item (b): A copy of the report provided to the California Debt and Investment Advisory Commission (“CDIAC”) pursuant to GC Section 53359.5. Under Section 53359.5, local agencies must provide CDIAC with the following: (i) notice of proposed sale of bonds; (ii) annual reports on the fiscal status of bonded districts; and (iii) notice of any failure to pay debt service on bonds, or of any draw on a reserve fund to pay debt service on bonds.

Item (c): A copy of the report provided to the State Controller’s Office pursuant to GC Section 12463.2. This section refers to the parcel tax portion of a local agency’s Financial Transactions Report that is prepared for the State Controller’s Office annually. Note that school districts are not subject to the reporting required by GC Section 12463.2.

Assembly Bill No. 1483

On October 9, 2019, Governor Gavin Newsom signed Assembly Bill No. 1483, adding Section 65940.1 to the California Government Code. The law requires that a city, county, or special district that has an internet website, maintain on its website a current schedule of fees, exactions, and affordability requirements imposed by the public agency on all housing development projects. Pursuant to Section 65940.1, the definition of an exaction includes a special tax levied pursuant to the Mello-Roos Community Facilities Act.

Assembly Bill No. 1483 defines a housing development project as consisting of (a) residential units only; or (b) mixed-use developments consisting of residential and non-residential land uses with at least two-thirds of the square footage designated for residential use; or (c) transitional housing or supportive housing. Assembly Bill No. 1483 also requires a city, county, or special district to update this information on their website within 30 days of any changes made to the information.

Senate Bill No. 165

On September 18, 2000, former Governor Gray Davis signed Senate Bill 165 which enacted the Local Agency Special Tax and Bond Accountability Act. In approving the bill, the Legislature declared that local agencies need to demonstrate to the voters that special taxes and bond proceeds are being spent on the facilities and services for which they were intended. To further this objective, the Legislature added Sections 50075.3 and 53411 to the California Government Code setting forth annual reporting requirements relative to special taxes collected and bonds issued by a local public agency. Pursuant to the Sections 50075.3 and 53411, the “chief fiscal officer” of the public agency will, by January 1, 2002, and at least once a year thereafter, file a report with the City setting forth (i) the amount of special taxes that have been collected and expended; (ii) the status of any project required or authorized to be funded by the special taxes; (iii) if bonds have been issued, the amount of bonds that have been collected and expended; and (iv) if bonds have been issued, the status of any project required or authorized to be funded from bond proceeds

Total Special Tax Levy for FY 2022-23

\$621,367.35

Goodwin Consulting Group, Inc.; City of Ontario

7/27/2022

Notes:

- 1) Product Name refers to the unique type and style of the structures designated by the builders.
- 2) Product Type 1 indicates a single family detached residence.
- 3) Product Type (other than 1) indicates the number of dwelling units in a multi-family attached residence that is part of a multi-plex structure.
