ONTARIO'S 2016 NATIONAL NIGHT OUT BLOCK PARTY REGISTRATIONS

Ontario's Mayor and City Council are proud to announce this year's National Night Out event scheduled for Tuesday, August 2, 2016. This year's event will celebrate the City's ongoing commitment to maintaining a high level of public safety and quality of life. National Night Out is designed to heighten crime and drug prevention awareness, enhance participation in local anticrime efforts, and strengthen our community's partnerships with law enforcement.

The Ontario National Night Out event invites residents, local businesses and visitors to gather with first responders and public service providers to promote crime prevention awareness, public safety, and neighborhood unity. This year marks the 30th anniversary of Ontario's participation in the National Night Out program. Last year, Ontario residents from more than 200 neighborhoods participated in the event, which helped the City earn 5th place in the nation for cities in similar size. This year's event promises to be another award winning celebration with block parties throughout the City representing Ontario's diverse community.
