G.H. Palmer Opens Paseos at Ontario

ONTARIO, CA (September 21, 2018) – G.H. Palmer Associates announced the opening of Paseos at Ontario, the newest gated, 24-hour guard secured and elevator-serviced luxury apartment community in the Inland Empire, located along Inland Empire Boulevard, between N. Archibald Avenue and N. Vineyard Avenue at 2615 E. Date Palm Paseo, Ontario, CA.

The nearly 1,000,000 square foot community includes 800 luxury apartments with various one, two, and three bedroom floorplans and a host of amenities including lifestyle swimming pools with cabanas, two-story fitness centers, dog parks, a children's play zone, a business center, high-speed internet, library, mail center, game room, steam shower, sauna, residential lounge area and central park.

"We strive to provide our residents with resort-style living, making every day at home feel like a vacation," noted Geoffrey H. Palmer of G.H. Palmer Associates. "We partnered with the City of Ontario to deliver a unique community, one that provides beautiful living accommodations with easy access to major hubs of employment and transportation. The City of Ontario has been such a pleasure with which to work."

"Ontario knows that a successful City begins by creating communities that bring people together," said Mayor Paul S. Leon. "Having a range of housing options is critical as the rental market changes with millennials moving out on their own."

Mayor pro Tem Alan D. Wapner with the City of Ontario said, "Paseos at Ontario are in an ideal location for the residents there to take advantage of the many transportation options with various bus lines, a Metrolink station and our Ontario International Airport nearby."

Said City Councilmember Jim W. Bowman, "Our City Council strives to have housing development that compliments all of our existing amenities and provides convenience for all of our residents."

"Paseos at Ontario elevates the quality of life in our community," said City Councilmember Debra Dorst-Parada, "we are pleased to have new luxury apartment homes in the City."

Said City Councilmember Ruben Valencia, “For our growing tech entrepreneurs, Paseos at Ontario provides attractive housing integrated with OntarioNet Fiber internet service.”
